

# Julio Maldonado

(727) 512-0938 | 12555 Wisconsin Woods Lane, Orlando, FL 32824 | leocrow32809@yahoo.com

## Summary

Passionate student with software development skills. Excellent people skills from leading US Coast Guard members at Sector St. Petersburg and Marine Safety Unit Thousand Islands. I am looking to secure an intern position in software development where I can utilize my strong team collaboration skills and technical knowledge to contribute positively to the team at Electronic Arts.

## Education

### **Bachelor's Degree in Computer Science** | University of Central Florida

Expected Graduation date: May 2027 | 4000 Central Florida Blvd, Orlando, FL 32816

**GPA:** 3.7/4.0

**Relevant Coursework:** Implementation of data structures, graphical user interfaces, databases, network-based software.

## Experience

### **Marine Science Technician (Retired)** | U.S. Coast Guard

Oct 2007 – 2025 | Tampa, FL , Jacksonville, FL, Los Angeles, CA, San Juan, PR, and Watertown, NY

- Set up and maintain databases utilized by local Coast Guard Unit.
- Maintained a Secret security clearance.
- Conducted regulatory inspections, coordinated waterway activities and reviewed infrastructure projects.
- Engaged with maritime stakeholders including local, state, tribal, federal agencies and maritime industry partners.
- Produced official federal documents and assisted in the publishing of regulations.
- Lead a bullpen of 8 regulatory compliance officers.
